

PANAMA CARGO LINES LTD INC

Connecting Continents

Panama Cargo Lines Ltd Inc is engaged in the business of container line (NVOCC) and dry bulk vessel operations.

We are committed to provide and maintain high quality services to our esteemed clients and continue to enjoy their unconditional support throughout.

Our vision is to become a major player in the industry and provide a personalized service to our customers with dedication, integrity and reliability.

NVOCC Division (Non-Vessel Owning Common Carrier)

The NVOCC division renders value added and reliable services to their customers spread across in The Middle East, Indian Sub-Continent, South East Asia, Far East, Latin American countries and The Europe. At present PCL inventory exceeds 2000 plus containers and it will reach up to 5000 in the year ending 2016, to cover the increasing business volume and customer demand.

PCL offers a very competitive rate in the market to their customers. We do provide multimodal transportation solutions as a 'sole transport operator' and warehousing facilities through our wide-range of networks. We understand each mode of transport is specialized and requires expert attention. With our dedicated and experienced staff, PCL meets customers' needs to their satisfaction.

We understand the importance of efficient transportation for a successful trade as transport and trade are interconnected. PCL is working very closely with various main line and feeder operators and secure the slots to move the boxes from one destination to another on time.

Bulk Division

As a dry bulk vessels operator, PCL can offer tonnages ranging from Mini Bulker to Panamax, in the carriage of harmless bulk raw materials, steels and bagged cargoes in The Far East, South East Asia, Indian Sub -Continent, The Middle East, Mediterranean and The Black Sea.

We are actively associated with major trading houses, manufacturing companies and miners provide them with suitable vessels with the best rates in the market, on voyage charter as well as on time charter.
